A "Jury of Our Peers".
We have seen hatred, racism, and violence, all over tv and the internet.
Governors, mayor's, councils, state attorneys, judges, and on and on, ALL of them hate us.
They have been caught over and over again using their position to push their agenda and

Punish those they hate, admitting many times they want you dead.
Imagine facing these people in court, when they are in control 🤔
I did, Rod, Comey, Mueller, Obama, and others, lied with a smile on their face. Their appointed judges gobbling it up, nothing you do, say, or

Prove is ever going to work, nothing will save you and they are all a part of it. If you demand a "jury of your peers" they really come at you, more charges, longer max sentences. And who do they pick for the jury? They same people you see rioting on TV. Clean them up, put on a

suit, and there's your "peers". Continue to fight and the threats begin, against you, your spouse, family. I experienced twice, General Flynn is experiencing it right now.
Challenge the jury, ask for people who are truly your "peers" and you are branded a racist, censored by

the court, and presided over by a judge that is either appointed/supports those against you, or is afraid of being labeled a racist so is "extra strict" on you, to "make an example", and so no label is applied to them.
Guilt or innocence rarely plays a part, just deal after

deal, destroy your life, and repeat with next person.
As slow as "justice" seems to be, it will be decades, if ever, before anything is resolved.
They take everything from you, abuse their authority to shred your life, people are killed, and they get book deals, tv jobs,

and lots of help.
People are standing up now, Patriots are fighting back, We won't take this crap forever. But We will face a real battle in the Courts if defending ourselves lands us there. Please widen your plans, defend yourselves, loved ones, but plan for the legal battle

to come when you do. KNOW the judges in your area, the state attorneys, learn change of venue criteria, have Support in place as early as possible.
These activist attorneys are Notorious for checking your social media accounts, do you support Trump, and charging based on

that. Illegal but done every day. The enemy is entrenched and prepared, with massive support. We will have to fight on Multiple fronts.
Stay together, stay strong, and may the LORD give you Guidance and Strength to face this challenge, Amen🙏🙏

Many people have asked, "what do they have on Chief Justice Roberts"? The time has come to answer that question. I'm told the SCOTUS will be taking up some Second Amendment issues soon, issues with Far reaching implications for our Country, Roberts CANNOT be relied upon to

to uphold The Constitution and protect Our Rights.

Recent SCOTUS decisions have been carefully crafted and approved by the Deep state to appear impartial. This includes recent decisions supporting President Trump's views. This

Mr. President, thank you for everything you are doing for Our Country. Many of us Took an Oath in the past, an Oath that has no expiration date. And now, Millions more are Standing Up and taking their Oath, online or in private, to show their support and share Their Strength with

others. All day every day we are pummeled by fake news, violence on TV, ridiculous demands, and accusations. All while we keep our head down, our mouths closed, and continue to work and support our families. Making sure the

If this is allowed to occur, can you imagine what they will want next? They actually discussed if you "had to be a Doctor" to do the test or could someone be trained to do it? 😳

People ask about alternative forms of covid-19 testing
